SECTION ONE

Policies Relating to Employee Rights and Obligations:

Drafting Note: The model policies marked * in this section are required to be eligible for the MEL’s deductible and premium rate incentives under the Employment Practices Liability coverage, although changes may be made to conform to the local unit’s particular circumstances and form of government. The other model policies are examples of issues covered in local unit personnel policies manuals.

Anti-Discrimination Policy:*

The Monmouth County Bayshore Outfall Authority is committed to the principle of equal employment opportunity and anti-discrimination pursuant to Title VII of the 1964 Civil Rights Act as amended by the Equal Opportunity Act of 1972 and the New Jersey Law Against Discrimination as amended by the New Jersey Pregnant Worker’s Fairness Act (LAD). Under no circumstances will the Monmouth County Bayshore Outfall Authority discriminate on the basis of sex, race, creed, color, religion, national origin, ancestry, age, marital or political status, affectional or sexual orientation, domestic partnership status, civil union status, atypical heredity, cellular or blood trait, genetic information, disability (including AIDS or HIV infection), pregnancy (including pregnancy related medical condition), childbirth, liability for service in the United States armed forces, gender identity or expression, and/or any other characteristic protected by law. Decisions regarding the hiring, promotion, transfer, demotion or termination are based solely on the qualifications and performance of the employee or prospective employee. If any employee or prospective employee feels they have been treated unfairly, they have the right to address their concern with their supervisor, or if they prefer their Department Head, Operations Manager, the Office Manager or the Authority Attorney.

The Monmouth County Bayshore Outfall Authority will endeavor to make every work environment handicap assessable and all future construction and renovation of facilities will be in accordance with applicable barrier-free Federal and State regulations and the Americans with Disabilities Act Accessibility Guidelines, as well as the ADA Amendments Act.

It is the policy of the Monmouth County Bayshore Outfall Authority to comply with all relevant and applicable provisions of the Americans with Disabilities Act, the ADA Amendments Act and LAD. We will not discriminate against any employee or job applicant with respect to any terms, conditions, or privileges of employment on the basis of a known or perceived disability, pregnancy, childbirth or pregnancy related medical condition. We will also make reasonable accommodations to known physical or mental limitations of all employees and applicants with disabilities or pregnant, provided that the individual is otherwise qualified to safely perform the essential functions of the job and also provided that the accommodation does not impose undue hardship on the Monmouth County Bayshore Outfall Authority.

The Operations Manager shall engage in an interactive dialogue with disabled/pregnant employees and prospective disabled/pregnant employees to identify reasonable accommodations or their respective physician. All decisions with regard to reasonable accommodation shall be made by the Operations Manager. Employees who are assigned to a new position as a reasonable accommodation will receive the salary for their new position. The Americans with Disabilities Act does not require the Monmouth County Bayshore Outfall Authority to offer permanent "light duty", relocate essential job functions, or provide personal use items such as eyeglasses, hearing aids, wheelchairs, etc.

Employees should also offer assistance, to the extent possible, to any member of the public who requests or needs an accommodation when visiting Monmouth County Bayshore Outfall Authority facilities. Any questions concerning proper assistance should be directed to Operations Manager.

Contagious or Life Threatening Illnesses Policy:*

The Monmouth County Bayshore Outfall Authority encourages employees with contagious diseases or life-threatening illnesses to continue their normal pursuits, including work, to the extent allowed by their condition. The Monmouth County Bayshore Outfall Authority shall make reasonable accommodations to known physical and mental limitations of all employees, provided that the individual is otherwise qualified to safely perform the essential functions of the job and also provided that the accommodation does not impose an unreasonable hardship on the Monmouth County Bayshore Outfall Authority.

The Monmouth County Bayshore Outfall Authority will take reasonable precautions to protect such information from inappropriate disclosure, including the following:

- Medical information may be disclosed with the prior written informed consent of the person who is the subject of the information.

- Information may be disclosed without the prior written consent to qualified individuals for the purpose of conducting management audits, financial audits, and program evaluations, but these individuals shall not identify, either directly or indirectly, the person who is the subject of the record in a report or evaluation, or otherwise disclose the person's identity in any manner. Information shall not be released to these individuals unless it is vital to the audit or evaluation.
- Information may be disclosed to the Department of Health as required by State or Federal law.

Managers and other employees have a responsibility to maintain the confidentiality of employee medical information. Anyone inappropriately disclosing such information shall be subject to disciplinary action.

The Monmouth County Bayshore Outfall Authority will endeavor to bring employees with temporary disabilities back on the job as soon as possible and may assign transitional duty to employees who temporarily cannot perform the essential functions of their positions because of injury or illness. Transitional duty is not guaranteed and will not exceed 45 workdays. If a department already has one employee on transitional duty, it is unlikely that another employee from that department will be assigned transitional duty.

An employee requesting transitional duty or the Workers Compensation Physician shall notify the Operations Manager as soon as the temporarily disabled employee is able to return to work with restrictions. Transitional duty will only be assigned if the employee will probably be able to perform the essential functions of the position after the transitional duty period. The

Operations Manager will consult with the Department Head to determine if there is any meaningful work that can be performed consistent with the restrictions. Transitional duty assignments may be in any department and not just the employee's normal department. The Monmouth County Bayshore Outfall Authority reserves the right to terminate the transitional duty assignment at any time without cause.

Employees may not refuse transitional duty assignments that are recommended by the Workers Compensation Physician. In such cases, failure to report to work as directed shall constitute immediate grounds for dismissal. If the employee believes that the transitional duty assignment is beyond the employee's abilities, the employee may request a meeting with the Operations Manager who will render a written response within 24 hours.

Employees on transitional duty will receive their regular salaries and are prohibited from engaging in any outside employment of any kind unless they receive prior written approval from the Operations Manager. If transitional duty is approved, the employee or Workers Compensation Physician must keep the Operations Manager informed of the medical progress. (Employees assigned to transitional duty will be allotted time off to attend medical or physical therapy appointments but must request leave time for any other reason.) If at the end of transitional duty period the employee is not able to return to work without restrictions, the Monmouth County Bayshore Outfall Authority reserves the right at its sole discretion to extend the transitional duty or place the employee back on Workers Compensation or disability. This policy does not affect an employee's rights under the Americans with Disabilities Act, the Family and Medical Leave Act, the Fair Labor Standards Act, the Contagious or Life Threatening Illnesses Policy or other Federal or State law.

The supervisor or Department Head will immediately report any reasonable suspicions to the Operations Manager.

An employee will be required to submit to alcohol, drug or controlled substance testing when the employee's work performance causes a reasonable suspicion that that employee is impaired due to current intoxication, drug or controlled substance use, or in cases where employment has been conditioned upon remaining alcohol, drug, or controlled dangerous substance free following treatment. Refusal to submit to testing when requested may result in immediate disciplinary action, including termination. Supervisors or Department heads that observe behavior constituting reasonable suspicion are required to institute testing and do not have the option of sending the employee home as an alternative.

The manufacturing, distribution, dispensation, possession, and use of alcohol or unlawful drugs on Monmouth County Bayshore Outfall Authority premises or during work hours by employees is strictly prohibited.

It is the Monmouth County Bayshore Outfall Authority policy to prohibit harassment of an employee by another employee, management representative, supplier, volunteer, or business invitee on the basis of actual or perceived sex, race, creed, color, religion, national origin, ancestry, age, marital or political status, affectional or sexual orientation, domestic partnership status, civil union status, atypical heredity, cellular or blood trait, genetic information, disability (including AIDS or HIV infection), gender identity or expression, liability for service in the United States armed forces, and/or any other characteristic protected by law. Harassment of non-employees by our employees is also prohibited. While it is not easy to define precisely what harassment is, it includes slurs, epithets, threats, derogatory comments, unwelcome jokes, teasing, caricatures or representations of persons using electronically or physically altered photos, drawings or images, and other similar verbal, written, printed or physical conduct.

If an employee is witness to or believes to have experienced harassment, immediate notification of the supervisor or other appropriate person should take place. See the Employee Complaint Policy.

Harassment of any employees, in connection with their work, by non-employees may also be a violation of this policy. Any employee who experiences harassment by a non-employee, or who observes harassment of an employee by a non-employee should report such harassment to the supervisor. Appropriate action will be taken against any non-employee.

Notification of appropriate personnel of any harassment problem is essential to the success of this policy and the Monmouth County Bayshore Outfall Authority generally. The Monmouth County Bayshore Outfall Authority cannot resolve a harassment problem unless it knows about it. Therefore, it is the responsibility of all employees to bring those kinds of problems to attention of the appropriate officials so that steps are taken to correct them.

Violation of this harassment policy will subject employees to disciplinary action, up to and including immediate discharge.

Anti-Sexual Harassment Policy:*

It is the Monmouth County Bayshore Outfall Authority policy to prohibit sexual harassment of an employee by another employee, management representative, supplier, volunteer, or business invitee. The Monmouth County Bayshore Outfall Authority prohibits sexual harassment from occurring in the workplace or at any other location at which Monmouth County Bayshore Outfall Authority sponsored activity takes place. Sexual harassment of non-employees by our employees is also prohibited. The purpose of this policy is not to regulate personal morality or to encroach upon one's personal life, but to demonstrate a strong commitment to maintaining a workplace free of sexual harassment.

Unwelcome sexual advances, requests for sexual favors and other verbal, physical or visual conduct of a sexual nature constitute harassment when:

- Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
- Submission to or rejection of such conduct by an individual is used as the basis for an employment decision affecting the individual; or
- Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment.

Regarding unwelcome sexual advances toward non-employees, requests for sexual favors and other verbal, physical or visual conduct of a sexual nature constitute harassment when:

- Submission to such conduct is made either explicitly or implicitly in exchange for a benefit;
- Submission to or rejection of such conduct by an individual is used as the basis for a decision affecting the individual; or
- Such conduct has the purpose or effect of unreasonably interfering with an individual's activities or creating an intimidating, hostile or offensive environment.

Sexual harassment may include unwanted sexual advances; offering employment benefits in exchange for sexual favors; visual conduct (leering, making sexual gestures, displaying of sexually suggestive objects or pictures, cartoons or posters); verbal sexual advances, propositions or requests; verbal abuse of a sexual nature; graphic verbal commentaries about an individual's body; sexually degrading words used to describe an individual; suggestive or obscene letters, caricatures or representations of persons using electronically or physically altered photos, drawings, or images; notes or invitations; and/or, physical conduct (touching, assault, impeding or blocking movements).

If an employee is witness to or believes that the employee has experienced sexual harassment, they must immediately notify their supervisor or other appropriate person. See the Employee Complaint Policy.

Harassment of Monmouth County Bayshore Outfall Authority employees, in connection with their work, by non-employees may also be a violation of this policy. Any employee who experiences harassment by a non-employee, or who observes harassment of an employee by a non-employee should report such harassment to their supervisor. Appropriate action will be taken against any non-employee.

Notification by employee to appropriate personnel of any harassment problem is essential to the success of this policy and the Monmouth County Bayshore Outfall Authority generally. The Monmouth County Bayshore Outfall Authority cannot resolve a harassment problem unless it is reported. Therefore, it is the responsibility of all employees to bring those kinds of problems to the attention of management so that steps are necessary to correct them.

Violation of this sexual harassment policy will subject employees to disciplinary action, up to and including immediate discharge.

“Whistle Blower” Policy:*

Employees have the right under the “Conscientious Employee Protection Act (CEPA)” to complain about any activity, policy or practice that the employees reasonably believe is in violation of a law, rule, or regulation promulgated pursuant to law without fear of retaliation or reprisal. This right shall be communicated to all employees in an annual letter outlining the specific employee complaint procedure and in a posted notice. A written acknowledgement that the employee received, read, and understood this letter will be included in the employee’s official personnel file. The annual notice shall be in English and Spanish and must contain the name of the person who is designated to receive written notification of policies or practices that might violate CEPA. This right will also be communicated in the Employee Handbook. All complaints will be taken seriously and promptly investigated.

The Monmouth County Bayshore Outfall Authority shall not take any retaliatory action or tolerate any reprisal against an employee for any of the following:

- Disclosing or threatening to disclose to a supervisor, Department Head, the Operations Manager, other official or to a public body, as defined in the Conscientious Employee Protection Act (N.J.S.A. 34:19-1 et seq.) an activity, policy or practice that the employee reasonably believes is in violation of a law, a rule or regulation promulgated pursuant to law;
- Providing information to, or testifying before any public body conducting an investigation, hearing, an inquiry into any violation of law, or a rule or regulation promulgated pursuant to law; or

- Objecting to, or refusing to participate in any activity, policy, or practice that the employee reasonably believes is a violation of a law, rule or regulation promulgated pursuant to law; is fraudulent or criminal; or is incompatible with a clear public policy mandate concerning the public health, safety, or welfare.

In accordance with the statute, the employee must bring the violation to the attention of the Monmouth County Bayshore Outfall Authority. However, disclosure is not required where (1) the employee is reasonably certain that the violation is known to one or more officials; (2) where the employee reasonably fears physical harm; or (3) the situation is emergency in nature. Employees are encouraged to complain in writing using the Employee Complaint form. See Employee Complaint Policy. Under the law, the employee must give the Monmouth County Bayshore Outfall Authority a reasonable opportunity to correct the activity, policy or practice. The administration of whistle blower complaints is not subject to the limitations in the Grievance Policy.

Employee Complaint Policy:*

Employees who observe actions they believe to constitute harassment, sexual harassment, or any other workplace wrongdoing should immediately report the matter to their supervisor, or, if they prefer, or do not think that the matter can be discussed with their supervisor, they should contact the Department Head, the Operations Manager or Office Manager. Reporting of such incidents is encouraged both when an employee feels that he or she is subject to such incidents, or observes such incidents in reference to other employees. Employees should report incidents in writing using the Employee Complaint form, but may make a verbal complaint at their discretion. If the employee has any questions about what constitutes harassment, sexual harassment, or any other workplace wrongdoing, they may ask their supervisor or one of the individuals listed above. All reports of harassment, sexual harassment, or other wrongdoing will be promptly investigated by a person who is not involved in the alleged harassment or wrongdoing.

No employee will be penalized in any way for reporting a complaint. There will be no discrimination or retaliation against any individual who files a good-faith harassment complaint, even if the investigation produces insufficient evidence to support the complaint, and even if the charges cannot be proven. There will be no discrimination or retaliation against any other individual who participates in the investigation of a complaint.

If the investigation substantiates the complaint, appropriate corrective and/or disciplinary action will be swiftly pursued. Disciplinary action up to and including discharge will also be taken against individuals who make false or frivolous accusations, such as those made maliciously or recklessly. Actions taken internally to investigate and resolve harassment complaints will be conducted confidentially to the extent practicable and appropriate in order to protect the privacy of persons involved. Any investigation may include interviews with the parties involved in the incident, and if necessary, with individuals who may have observed the incident or conduct or who have other relevant knowledge. The complaining employee will be

notified of a decision at the conclusion of the investigation within a reasonable time from the date of the report an incident.

Grievance Policy:

A grievance is any formal dispute concerning the interpretation, application and enforcement of any personnel policy or procedure of the Monmouth County Bayshore Outfall Authority. Grievances from union employees will be handled pursuant to the terms of the applicable bargaining unit agreement. All grievances from non-union employees must be presented within five working dates after arising and failure to report a grievance within such time shall be deemed as a waiver of the grievance. In the event of a settlement or ruling that results in a determination of monetary liability, such liability shall not exceed more than thirty working days prior to the date the grievance was first presented in writing.

- **Step One:** Any employee or group of employees with a grievance shall verbally communicate the grievance to the supervisor or Department Head who will discuss the matter with the Operations Manager. The supervisor or Department Head will communicate the decision to the employee within two working days.
- **Step Two:** If the employee is not satisfied with the decision, the employee must submit a written grievance to the Operations Manager detailing the facts and the relief requested. The decision in step one will be deemed final if the employee fails to submit a written grievance within five days working days of the step one decision. After consulting the Operations Manager and the Authority Attorney as appropriate, the Operations Manager will render a written decision to the employee within five working days after receipt of the written grievance.

These limitations do not apply to employee complaints made under the General Anti-Harassment Policy, the Anti-Sexual Harassment Policy or the Whistle Blower Policy.

Upon request, employees may inspect their own personnel files at a mutually agreeable time on the Monmouth County Bayshore Outfall Authority premises in the presence of the Office Manager or a designated supervisor. The first thirty (30) workdays of the leave shall be with full pay except that a member of the New Jersey National Guard shall receive full pay for the first ninety (90) days. (Thereafter, the leave shall be without pay but without loss of time.) or (Thereafter, the employee shall be paid the difference between military salary and the employee's regular salary.) The paid leave will not be counted against any available time off including but not limited to vacation, sick or personal time. A full-time temporary employee who has served less than one-year shall not be entitled to paid leave but shall be granted non-paid military leave without loss of time.

Employees on military service will also continue to receive paid health insurance coverage during the period of the paid leave plus an additional thirty days calendar days after the paid leave is exhausted. After this period has expired, employees may continue coverage for themselves or their dependents under the Monmouth County Bayshore Outfall Authority group plan by taking advantage of the COBRA provision. SECTION FOUR

Compensation & Employee Benefits Policies:

Scope:

These policies cover non-union employees. They also cover union employees to the extent that their collective bargaining agreements do not cover these issues.

Payroll Policy:

Salary ranges are established by ordinance, and the salary must fall within the minimum and maximum ranges for the employee's title. Employees are paid every 2 weeks. Employees who are going on vacation and would like their checks in advance must make a written request at least two weeks in advance of the vacation.

The Monmouth County Bayshore Outfall Authority will not accept responsibility for any employee's personal finances. The Monmouth County Bayshore Outfall Authority will acknowledge judgments against an employee's pay, but will not act as a mediator between the employee and creditors.

Overtime Compensation Policy:

Under the Federal Fair Labor Standards Act, certain employees in managerial, supervisory, administrative, computer or professional positions are exempt from the provisions of the Act. There are also employees who may be exempt because their compensation exceeds \$100,000 per year depending upon their job duties. The (Personnel Administrator title) shall notify all Exempt employees of their status under the Act. Exempt employees are not eligible to receive overtime compensation and are required to work the normal workweek and any additional hours needed to fulfill their responsibilities. Time off consideration for large amounts of additional hours may be provided with the Operations Manager's prior approval and at the sole discretion of the Operations Manager.

All other employees are classified as Non-Exempt and are subject to the provisions of the Act. Depending on work needs, Non-Exempt employees may be required to work overtime. Non-Exempt employees are not permitted to work overtime unless the overtime is budgeted and approved by the Department Head and the Operations Manager. Non-Exempt employees working overtime without prior approval will be subject to disciplinary action.

Non-Exempt employees will receive overtime compensation for hours worked in excess of forty in a weekly period. Employees may choose overtime compensation in the form of overtime pay at their regular hourly salary or compensating time off. The maximum number of hours that an employee may accrue for future compensating time off is 8. Once this maximum

has been accumulated, all additional hours will be compensated by overtime pay. Accrued and taken overtime compensating hours must be noted on the employee's time sheet.

Non-Exempt employees will receive one and one-half hours of overtime compensation for each hour worked in excess of forty hours in a weekly period. For purposes of overtime compensation, hours worked are computed to the nearest one-half hour per day. Previously scheduled vacation time and holiday time are considered time worked for purposes of determining overtime compensation, but sick time and personal time are not.

(In addition to the requirements of the Federal Fair Labor Standards Act, Non-Exempt employees will also receive overtime compensation for work in excess of thirty-five hours but not greater than forty hours in a weekly period. This other compensation will be one hour for each hour worked in excess of thirty-five hours.) (If a Non-Exempt employee works on Sunday or a paid holiday, the employee will receive overtime compensation of ___ hour(s) for each hour worked less the number of hours of overtime compensation received under any other provision of the policy.) (If a Non-Exempt employee not on regular call out duty is required to return to work in an emergency or because of unusual circumstance, the employee will receive overtime compensation of the greater of (1) ___ hours or (2) the actual number of hours worked (3) less the number of hours of overtime compensation received under any other provision of this policy.)

Employees must make a request to their supervisor at least two days in advance when they want to take compensating time off. The supervisor will approve the request if the absence does not cause undue hardship to the department.

Timesheets:

Non-exempt employees are required to accurately record their work time on the designated time record, sign it and return into his/her supervisor. Non-exempt employees and exempt employees are required to report their sick time, vacation time and holiday time on the designated time record. Non-exempt and exempt employees should turn the time record into his/her supervisor.

The supervisor shall review the record for accuracy and approve it and submit it to the designated payroll representative.

Payment for Accumulated Absence:

To the extent that a local ordinance, collective bargaining agreement, or an employment agreement provides for the payment of compensation for pay while absent from work, the Monmouth County Bayshore Outfall Authority shall only make such payment if the chief financial officer or Executive Director certifies that such amount is due and that proper documentation establishing that the amount of the accumulated absence has been provided and funds are available to pay. Proper Documentation includes:

- A copy of the agreement, ordinance and/or resolution;

- Documentation of the amount of accumulated absence time; and
- The total value of the compensation due.

Nothing in this section grants employees compensation for absences from work.

Health Insurance Policy:

The following is an example of a typical policy. Members should review closely with their actual plan.

Employees and their immediate family members, including civil union partner, are provided health insurance coverage administered by the State Health Benefits Plan. The Monmouth County Bayshore Outfall Authority reserves the right to change provider networks, claims agents, and insurance mechanisms (fully insured versus health insurance fund, e.g.). The complete benefit plan is on file in the (title)'s office and a Summary Plan Description will be provided to all employees. Benefit levels for non-unionized employees are subject to change at the discretion of the Monmouth County Bayshore Outfall Authority.

Health insurance coverage for employees on a Leave of Absence or who cease Monmouth County Bayshore Outfall Authority employment will terminate at the end of the month in which the leave begins or employment is terminated except coverage will continue for up to twelve weeks for employees on leave pursuant to the Family and Medical Leave Act and up to thirty weeks for employees on Military Leave. Upon termination of coverage, employees may extend health insurance coverage for themselves or their dependents by taking advantage of the Public Health Services Act provision for a period of up to eighteen months to thirty-six months. All newly hired employees and their spouses shall receive a notice of Cobra rights upon being hired. For more information, consult the Office Manager.

(Employees who retire with twenty–five years of service to the Monmouth County Bayshore Outfall Authority may continue to receive paid health insurance coverage. Employees receiving retiree health benefits must notify the Office Manager in writing, with proof of enrollment, when they become eligible for Medicare Parts A and B. For more information, consult the Office Manager.)

Dental Benefits Policy:

The Monmouth County Bayshore Outfall Authority provides Dental Benefits through the New Jersey State Health Benefits Program.

Drug Prescription Benefit Policy:

The Monmouth County Bayshore Outfall Authority does not provide a separate prescription policy. Your prescription plan is based on the health benefit plan you choose.

Retirement Policy:

Under State law, all employees must enroll in the New Jersey Public Retirement System or the Police and Fire Fighters Retirement System as applicable. The employee's contribution to the Plan will be deducted from the employee's pay. An employee who has completed the required number of years and who has reached the required age under the Plan may retire by notifying the Department Head in writing. The State retirement plans request six months advance notice to process the application. After giving notice of retirement, employees are expected to assist their supervisor and co-employees by providing information concerning their current projects and help in the training of a replacement. The Department Head will prepare an Employee Action form showing any pay or other money owed the employee. The Office Manager will conduct a confidential exit interview to discuss benefits including COBRA options, appropriate retirement issues and pay due. A COBRA notification letter will be sent to the employee's home address. The exit interview will also include an open discussion with the employee. On the last day of work, and prior to receiving the final paycheck, the employee must return the Employee Identification Card, all keys and equipment. At this time, the employee will sign the termination memo designating all money owed and this memo will be retained in the official personnel file.

Workers Compensation Policy:

Employees who suffer job related injuries and illnesses may be entitled to medical expenses, lost income and other compensation under the New Jersey Workers Compensation Act. The Monmouth County Bayshore Outfall Authority covers workers compensation benefits through its membership in a joint insurance fund. Any occupational injury or illness must be immediately reported to the supervisor or Department Head. All required medical treatment must be performed by a Workers Compensation Physician appointed by (the joint insurance fund) Monmouth County Bayshore Outfall Authority and payment for unauthorized medical treatment may not be covered pursuant to the Act.

Unless explicitly provided for in a bargaining agreement, the Monmouth County Bayshore Outfall Authority will only pay, either directly or through its Workers' Compensation insurer,

those benefits that are specifically provided for under the Workers' Compensation Act and will not supplement these benefits with additional benefits pursuant to NJSA 11A:6-8.

Employee Assistance Policy:

Insert Applicable Provisions, if any

Educational Assistance and Training Policy:

Subject to sufficient funds in the budget and upon approval of the Department Head, employees may apply for reimbursement of tuition expenses incurred for training or college courses directly related to the employee's work. The Operations Manager will be the sole judge of whether a particular course or program is "directly related" to the employee's work. Employees are strongly urged to obtain this determination before enrolling in a course or program.

Employees may receive reimbursement for up to 100 percent of the tuition cost for training or college courses that they take on their own initiative. The reimbursement must be repaid if the employee leaves Monmouth County Bayshore Outfall Authority employment within twenty-four months of receipt. When enrollment for short training courses or seminars is requested by the Monmouth County Bayshore Outfall Authority, employees will receive full reimbursement.

Conference and Seminar Policy:

Requests to attend a conference or seminar must be approved by the Department Head and the Operations Manager. Requests shall be made sufficiently in advance to take advantage of discounts for early registration, and must be submitted to the Department Head at least thirty days before the event. Requests must be in writing including the conference schedule, registration information and estimated costs. The Department Head is responsible to detail all training requests during the budget formulation process. Approval of any conference or seminar request is conditioned upon the availability of funds.

Background Checks and Procedures for Candidates, Employees and Volunteers:

- **Background checks required:** Background checks are required of all candidates, whether for paid or volunteer positions, working directly or indirectly with children/youth/minors. The Office Manager will inform the candidate, volunteer, or employee, in writing, of any information that would disqualify the person from working with children/youth. If the Monmouth County Bayshore Outfall Authority contracts with an outside vendor to process the background checks, that contractor may be authorized to inform the person in writing of any information that would disqualify the person from working with children/youth/minors. During this initial employment period, the new employee or transferee will be provided with training and guidance from the supervisor. At the end of the initial employment period, the supervisor will conduct an employee evaluation – see Performance Evaluation Procedure. New employees may be discharged at any time during this period if the Operations Manager concludes that the employee is not progressing or performing satisfactorily. Under appropriate circumstances, the Operations Manager may extend the initial employment period. (Newly hired employees are not eligible for payment of paid time off except holidays until the successful completion of their initial employment period.)

Nothing in the procedure set forth in this section shall alter Monmouth County Bayshore Outfall Authority employment at will policy. Employment with Monmouth County Bayshore Outfall Authority is at will and may be terminated at any time with or without cause or notice by the Monmouth County Bayshore Outfall Authority type or the employee.”

Employee Handbook Procedure:*

The Office Manager and Operations Manager with the assistance of the Authority attorney shall draft an Employee Handbook for the approval of the board of commissioners. A separate version of the Handbook will be drafted for part-time and seasonal employees as well as for major bargaining groups if appropriate. Once approved, copies will be distributed and employees will be required to sign an acknowledgement of receipt that will be placed in the

official personnel file. The Handbook will be revised and re-distributed whenever there is a significant change in personnel practice or every two years.

Performance Evaluation Procedure:*

Periodic evaluations are critical to create a formal record of an employee's performance over time and establish a foundation for personnel actions such as promotion and termination. In addition to day-to-day feedback to the employee, a performance evaluation must be conducted for all employees at least annually. The completed appraisal becomes part of an employee's permanent record.

Performance discussions must also provide employees with guidance regarding their ability to meet job standards. Extraordinary skills or abilities should be recognized in addition to areas for improvement. Supervisors or Department Heads should review future training needs and career planning. The reviewer should also encourage the employee to make suggestions about how the department can improve. The reviewer should ask employees for feedback regarding the employee's skills as they relate to communication, team building, delegation, and sensitivity to needs of subordinates. Open communication is the key to improvement.

- **Setting the Stage:** The reviewer must create a productive climate for the discussion. In preparing the evaluation form, prior evaluations should be reviewed to identify trends. Employees must be notified in advance of the meeting and should be given a copy of the blank evaluation form. The meeting should be private without interruptions in a comfortable environment.
- **Confirm Expectations:** The reviewer should start the discussion of each performance area by reviewing expectations. Ask the employee to confirm the employee's understanding of job requirements. Refer to the job description as appropriate.
- **Rating:** Continue the discussion by giving the employee's rating in each performance area. The supervisor should be prepared to refer to documentation. Employees should be evaluated based on set standards, not as they compare to other employees. It is rare that any person's rating in all areas is either high or low. The evaluation should consider performance during the entire period, not just the recent past. Care should be taken to avoid allowing one aspect of a person's performance to overshadow all other performance factors be it positive or negative. Ideally, each performance area should be evaluated individually based on specific behaviors exhibited.
- **Discussing Future Plans:** This is where the reviewer should turn to the discussion to the future performance and development of the employee. A Counseling Action Plan form must be completed if any item is rated "Needs Improvement" or "Does Not Meet Minimum Standards." Specific performance goals must be established for the next review period along with plans for achieving those goals.
- **Closing the Discussion:** When all performance areas have been discussed, close the discussion by summarizing all of ratings in an overall rating for the review period.

It is crucial that all reviewers complete the evaluation forms with care and with complete candor. Although reviewers are encouraged to set forth areas of strength and utilize tact in presenting criticism, it is important that all performance issues of any significance be addressed thoroughly and in unambiguous terms in the evaluation form, and verbally with the employee.

Exceeds Expectations means consistently exceeds established standards in most areas of responsibility. All requirements must be met and objectives achieved above the established standards.

Meets Job Requirements means all job requirements were met and planned objectives accomplished within established standards. There were no critical areas where accomplishments were less than planned.

Needs Improvement means performance in one or more critical areas does not meet expectations. Not all planned objectives were accomplished within the established standards and some responsibilities were not completely met.

Does Not Meet Minimum Standards means performance is unacceptable and important objectives have not been accomplished. Needs immediate improvement.

After completing the evaluation, the reviewer will return the form(s) with the signed acknowledgement to the Operations Manager. After review by the Operations Manager, the form(s) are to be forwarded to the Office Manager for inclusion in the employee's official personnel file. As a part of the evaluation, employees have the right to request a conference with the board of commissioners or office and operations manager.

Disciplinary Action Procedure:*

All employees are expected to meet the Monmouth County Bayshore Outfall Authority's work performance standards. The intent of the Disciplinary Action Procedure is to formally document problems and provide the employee with a reasonable time to improve performance. The process should encourage development by providing employees with guidance in areas that need improvement such as poor work performance, attendance problems, personal conduct, general compliance with the Monmouth County Bayshore Outfall Authority's policies and procedures and other disciplinary problems.

Should a supervisor believe that an employee is not conforming to the Monmouth County Bayshore Outfall Authority's policies and rules or to specific instructions, or has acted improperly, the supervisor will first privately discuss the matter with the employee to obtain the employee's view. If the supervisor determines that the employee has acted improperly, the supervisor shall take one of the following actions depending upon the gravity and the

employee's past record. At the discretion of the supervisor and the Operations Manager, action may begin at any step, and/or certain steps may be repeated or by-passed.

- **Verbal Reprimand:** Depending on the circumstances, the supervisor may verbally notify the employee that the employee's actions have been improper and warn the employee against further occurrences. The supervisor will prepare a record of the verbal reprimand including the date, time and what was discussed with the employee. This record must be forwarded to the Office Manager for the employee's official personnel file.
- **Board Review:** Should the supervisor consider the offense sufficiently serious to warrant consideration by the board of commissioners, the employee will be so advised and a meeting arranged with the board of commissioners at the earliest possible date. All facts should be detailed at this meeting and, if possible, a determination will be made at that time of disciplinary action, if any.
- **Written Reprimand:** When a supervisor determines that a written reprimand is appropriate, the situation must be discussed with the board of commissioners. The reprimand should clearly identify the problem and outline a course of corrective action within a specific time frame. The employee should clearly understand both the corrective action and the consequence (i.e., termination) if the problem is not corrected or reoccurs. The employee should acknowledge receipt of the warning and may include additional comments. A copy of the written reprimand with the signed acknowledgement and comments must be forwarded to the Office Manager for the employee's official personnel file.
- **Suspension:** Whenever an employee is recommended for suspension, the board of commissioners will make the decision and may seek the advice of the authority attorney if appropriate. Suspended Employees may request a hearing under the applicable grievance procedure (and Civil Service procedure).
- **Dismissal:** Whenever an employee is recommended for dismissal, the board of commissioners will make the decision only after seeking the advice of the authority attorney. There must be a complete review of the employee's personnel file and all other facts to determine if there is sufficient cause for the dismissal. Terminated employees may request a hearing under the applicable grievance procedure (and Civil Service procedure).

Personnel File Procedure:*

The official personnel files shall be maintained by the Office Manager and employee medical information will be maintained in a separate file. At least annually, the Office Manager will review files to make sure they are up-to-date and will follow-up with the Department Heads as necessary.

The Official file shall include at least the following:

- The original application signed by the employee;
- Notes from any pre-employment interview and reference check;
- The original letter detailing an offer of employment and any additional correspondence concerning the employee's hiring;
- A signed acknowledgement that the employee received a copy of the Employee Complaint Policy letter;
- A signed acknowledgement that the employee has received the Employee Handbook;
- A signed acknowledgement that the employee received the safety orientation;
- Annual written performance evaluations including documentation that the evaluation was reviewed with the employee;
- Counseling Action Plans;
- Records relating to on-the-job accidents;
- Disciplinary actions including an acknowledgement that the employee was notified of the proposed disciplinary action and was given an opportunity to respond;
- Records relating to any other employment actions including promotions, demotions, transfers, resignations, leaves, etc.;
- Educational transcripts; and
- Any other pertinent information.

Employee Complaint Investigation Procedure:*

Employees have the right to formally or informally report any statement, act, or behavior by a co-employee, supervisor, elected official or visitor that they believe to be improper.

- **Reporting:** Employees should be asked to report complaints in writing utilizing the Employee Complaint form, but are not compelled to do so.

- **Identification/Screening:** The supervisor, Department Head, Office Manager or authority attorney must report all written or verbal complaints to the board of commissioners unless the complaint is against the board of commissioners. Upon receipt, the board of commissioners will determine if the complaint was made pursuant to the General Anti-Harassment Policy, the Anti-Sexual Harassment Policy, the Whistle Blower Policy, a grievance procedure or is another form of complaint. A file will be established including the written complaint, the investigation procedure followed and the response action plan. As soon as possible but no later than ten days after receiving the complaint, the board of commissioners or investigator appointed by the board of commissioners will interview the employee. If the employee is reluctant to sign a written complaint, the board of commissioners or investigator will prepare written notes of the date, time and place of the complaint and the specific allegations. These notes will be read back to the employee who will be asked to affirm, preferably in writing the information's accuracy.
- **Investigation:** The Operations Manager will seek the advice of the authority attorney when planning the investigation. The investigation should be conducted by the authority attorney or county prosecutor if it involves potential criminal charges. The investigation should establish the frequency and nature of the alleged conduct and whether the complaint coincides with other employment events such as a poor performance evaluation. The investigation should also determine if other employees were subjected to similar misconduct. It is important to protect the rights of both the person making the complaint and the alleged wrongdoer.
- **Response Plan – No Corrective Action Required:** The Operations Manager will discuss the conclusions with the authority attorney and render a decision within fourteen days after the investigation is complete. If the validity of a complaint cannot be determined or the complaint is groundless, the complaining employee should be notified in writing. Care should be taken to avoid being too specific, confrontational or accusatory and to avoid any language that might be construed as defamatory. A general statement is usually more appropriate that the claim was thoroughly investigated, but could not be sufficiently documented or confirmed to justify taking formal action. The employee should be assured that future complaints will be investigated and that the Monmouth County Bayshore Outfall Authority's is committed to eliminating wrongful employment practices when they are found to exist. If the investigation reveals that the complainant intentionally and maliciously levied false charges against the alleged wrongdoer, the complainant must be notified of the seriousness of filing a false complaint, and the appropriate disciplinary penalty under the circumstances, up to and including termination.
- **Response Plan – Corrective Action Required:** If the investigation reveals that the complaint is justified and substantiated, the Operations Manager will formulate with the advice of the authority attorney a corrective action plan as well as possible disciplinary action. The complaining employee will be notified, in writing that it appears that the complaint was justified and an appropriate response plan has been formulated. A copy

of the response plan should be attached to the letter. The response plan should provide for appropriate remedial action to prevent a recurrence of the wrongful act or behavior.

Requests for Employment Verification and Reference Procedure:*

Inquiries and written requests for references or employment verification regarding a current or former employee must be referred to the Office Manager. No employee may issue a reference letter without the permission of the Office Manager. Under no circumstances should any information be released over the phone.

In response to a request for information, the Office Manager will only verify an employee's name, dates of employment, job title, department and final salary. No other data or information will be furnished unless (1) the Monmouth County Bayshore Outfall Authority's is required to release the information by law or (2) the employee or former employee authorizes the Monmouth County Bayshore Outfall Authority in writing to furnish this information and releases the Monmouth County Bayshore Outfall Authority from liability.

Continuing Education Procedure:*

The Monmouth County Bayshore Outfall Authority in conjunction with the authority attorney will arrange for employment practices seminars at least annually to train all managerial/supervisory personnel. The Monmouth County Bayshore Outfall Authority will also offer non-mandatory training to all other employees with special emphasis on employee rights and protections under various Federal and State laws as well as Monmouth County Bayshore Outfall Authority employment practices. Records will be maintained in the official personnel files of all employees trained under this procedure.

Managerial and supervisory personnel will also update employees periodically by department meetings and memos that should address specific problems and concerns that may arise. Every effort will be made to encourage employee suggestions about ways to avoid employer-employee disputes and violations of employment rights.
